TERMS & POLICIES

AVAILABILITY

We aim for high stock availability from our German warehouse and the average delivery time for goods on stock is from 2 - 5 weeks (always depending on the final destination in relation to the distance from our warehouse in northern Germany, local forwarding services, local tax authorities etc.). For goods that are over sold and/or out of stock the delivery time is up to 14 weeks (does not apply to contract sales). For contract orders, each project will be processed on a case-by-case basis and lead times confirmed separately.

Items marked with ● are limited availability products. These products are no longer manufactured and will only be available until existing stocks have sold out.

NATURAL / BUFFED TEAK

As part of our normal product update programme, we are discontinuing the buffed teak finish on all products and switching to natural teak finish instead for all new production. However, due to existing stocks of buffed finish goods still in our warehouse, delivered goods could continue to be in buffed finish for some time until these stocks are exhausted. This also applies to red status items, where we only have buffed finish products in stock and will not be replacing with natural finish once sold out.

CUT & SEW CUSHION PROGRAMME

Cushions are made via our local Cut & Sew supplier in Germany. When the order for cushions is received, a purchase order is created and the cushions are produced at our supplier. The order is then passed over to our warehouse for packing and onward shipping to its final destination. We aim for a total lead time of 20 working days from receipt of initial order to shipment of the finished cushions.

RECOMMENDED RETAIL PRICES

All recommended retail prices shown are per single item unless indicated otherwise. All prices include VAT / MWST. The new recommended retail prices are valid from 1st January 2023.

Due to the current volatility in exchange rates, please note that we reserve the right to change the prices in-season.

ASSEMBLY / CONDITIONS OF SALE

Most Tables, Chairs & Loungers require assembly.

All prices are subject to our standard Conditions of Tender and Sale, a copy of which will be forwarded to you on request. All orders are accepted subject to being charged at the prices ruling at the date of dispatch.

RETURNS POLICY

Written authorisation must be obtained from Gloster prior to returning any products. Products returned without prior written authorisation will be refused.

Defective products returned are inspected by our Quality Control Manager and replaced or repaired if the damage is a result of a manufacturer's defect. If it is determined not to be a manufacturer's defect, the customer, along with the Quality Control Manager will decide what further action to take.

For non-defective products returned as an unwanted order, a 15% handling fee will be applied and the customer is liable for all shipping charges involved in returning the items back to Gloster. Returned goods will only be accepted if returned in their original packaging, thereby suitable for re-sale.

AREAS OF USAGE

Certain products are exclusively recommended for use in the residential sector. Please contact your Sales Manager who can advise if a requested product is suitable for contract use. For use in public areas, in which the furniture is exposed to particularly high stress, such as public educational institutions, fast food restaurants or meeting places, special requirements and standards apply. Please always ask about the suitability of the respective Gloster products for these areas before placing an order with our company.
